### I love Liverpool

Hi, I'm Toby and I'm from Liverpool in the north-west of England. It's a big city, but it's really friendly. There are a lot of interesting things to see and do here. Liverpool is on the river Mersey and my favourite place is the Albert Dock. This is a group of old buildings by the river. There are cafés and restaurants, an art gallery and some museums. Anfield Stadium is a fantastic place to visit if you're into football.

My family are British, but we are from different places. My mum is from Belfast in Northern Ireland, and my dad's from Cardiff in Wales. My sister is a student at university in Edinburgh in Scotland. That means I've got family in every capital city in Britain except London. London's the biggest capital in the UK. There are over eight million people there. It's an exciting place to visit, but I think the people in Liverpool are friendlier.

### Correct the wrong information. Cross the wrong word(s) and write the correct word(s). (5 marks)

- 2 The Albert Dock is a group of buildings by the sea. ....
- 3 Toby's sister works in Scotland. ....
